

International Student On-Campus Employer Letter

Supporting F-1 and J-1 Student Social Security Card Application

This letter should be completed by the hiring supervisor. The supervisor should return the letter directly to the student as it will be required to apply for the social security number.

Working While Awaiting an SSN:

An F-1 or J-1 student may work while the Social Security number application is being processed. For on-campus positions, students must submit all required paperwork to Student Employment and the confirmation receipt that they have applied for the SSN.
